Biography

Mr. Cook, 63, a director since 2005, is the Company's Lead Independent Director and the Chief Executive Officer of Apple, Inc. ("Apple"). As CEO, Mr. Cook leads Apple's work to create and share technology that empowers people and enriches their lives.

- Mr. Cook joined Apple in March 1998 as Senior Vice President of Worldwide Operations and also served as its Executive Vice President, Worldwide Sales and Operations and Chief Operating Officer.
- Mr. Cook was Vice President, Corporate Materials for Compaq Computer Corporation from 1997 to 1998.
- Previous to his work at Compaq, Mr. Cook served in the positions of Senior Vice President Fulfillment and Chief Operating Officer of the Reseller Division at Intelligent Electronics from 1994 to 1997.
- Mr. Cook earned an MBA from Duke University, where he was a Fuqua Scholar, and a Bachelor of Science degree in Industrial Engineering from Auburn University.

Mr. Cook is a member of the Board of Directors of Apple. In addition to this public company board service, he is also a member of the Board of Directors of the National Football Foundation and Duke University Board of Trustees. Mr. Cook is a consistent advocate for civil rights, the fundamental right to privacy, and equitable access to education, while also leading Apple's work to become 100% carbon neutral by 2030.
